SITE DESCRIPTION:

A remnant railway embankment is still extant. It appears to run from the Tasman Highway junction to the former railway station. Only the northern portion adjacent to the Tasman Highway and the HEC substation was inspected. The listing includes the full railway alignment from Sorell to Shark Point.

HISTORY:

BOUNDARY:

The listing boundary is formed by the title boundary for the railway.

COMMENTS:

The railway was an important early link with Hobart.

It should be included in Schedule 3 of the Sorell Planning Scheme and should be nominated for inclusion in the Tasmanian Heritage Register.
