Field notes filed & numbered Plan N° 32 Pembroke

Plan of the Estate of
FORCETT

claimed by
M^r William Gunn.

and containing within the **Red & Green spaces**
2,431 acres.
(J Mannings farm not included.)

Note. The fence c, b, is claimed by
M^r Marshall, who told me he had a grant
for it, but the irregular one on the north (and
which is on a line of marked trees) is claimed
by M^r Gunn.

At A the fence appears ~~not~~
not to be on the authorized lines.

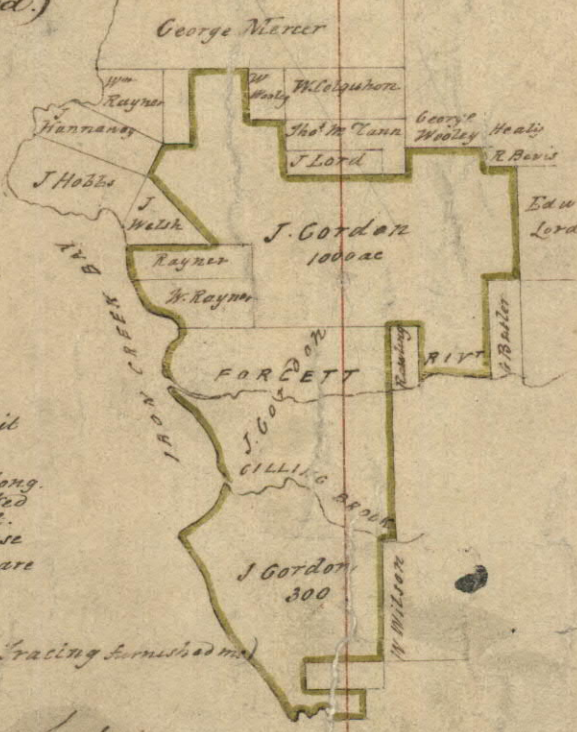

At B there is a disagreement between
the fences claimed, and the boundary shown
on the tracing, but on enquiring of the neigh-
bours, M^r Doctor and M^r Marshall, they ac-
knowledge the fences as the true boundaries.

At C the fence a, b, c, should be
produced to Cilling Brook (d) - c was the
point shown M^r Cotton and myself, but I believe it
to be a mistake.

At D the fence a, b, should be 18 chains long,
and not 11 ch 26 links; at this point all marked
trees are gone. The superintendent of Forcett
told me that M^r Cotton had re-established these
boundaries and that the present fences (which are
new) stand on the lines he laid out.

The cultivated lands of the estate
are shown by the dark green shades
and are of course included in
the above area of 2,431 acres
